

Marina Sant'Andrea

SAN GIORGIO DI NOGARO ITALIA

Marina Sant'Andrea is the new tourism port of the Northern Adriatic situated between Grado and Lignano Sabbiadoro, extended over its 200.000 square meters with more than 800 wet and dry berths Marina Sant'Andrea can accommodate vessels up to 30m.

Our shipyard is the pride and joy of the Marina Sant'Andrea, with more than 130.000 square meters of space assigned to storage ashore, 15.000 square meters of indoor hangar space with an air draft of 11 m for dry storage 1.000 square meters dedicated to heated paintwork (44m x 20m), 800 square meters assigned to carpentry and 1.500 square meters reserved for workshops and laboratories.

When returning from a day on the water with family and friends you will find a dedicated area for rest and recreation, wide jetties, wide green lawns, extensive parking, swimming pool, green playing areas, bar, restaurant, nautical shop, sailing school, brokerage office, charter services and a yacht club for functions pertaining to all nautical events.
